# LET'S GO DEEPER

## TRIPS & EVENTS

Trips & Events are incredible opportunities to grow in deeper discipleship to Jesus and relationship with one another. Whether you join us for all of these trips and events or just one, we see them all as stepping stones to greater discipleship to Jesus:

**Immersive Trips** | These trips help build a firm foundation on what we believe and why it's true. On these trips, you will be challenged and equipped as we engage with people of other worldviews and grow in confidence to share truth in love.

**24 Hour Prayer** | In partnership with 24-7 prayer, we will be opening up our Prayer Room in the High School room for a 24 hour period to our community. Sign up for an hour in the prayer room or come to High School anytime room for worship and prayer as we seek God together before the new school year.

**Pray Around the Bay** | Join us for a 13 mile pilgrimage of prayer for the sake of others around the Newport Back Bay.

**JH Winter Retreat & HS "The Trek"** | These trips are great opportunities to get away from the normal everyday distractions and learn new rhythms that will deepen our discipleship to Jesus long after the trip is over.

**Summer Camp JH & HS** | These trips have always been a vital opportunity to end our summer and launch into the school year with renewed unity as a group and serves as a meaningful marker point in our discipleship to Jesus.

**Daughters Conference JH & HS Girls** | Join us on November 4th as we look at what it means to rightly see ourselves as Daughter's through the truth of God's word. We will join other churches in the OC/LA area. More Info and registration to come!

**Various Events** | Throughout the year these events provide meaningful space for fun and fellowship!

## STUDENT LEADERSHIP

**Student Leadership Team** | Apply for student leadership for an opportunity to invest in our community, grow in servant leadership, and pursue greater intimacy and maturity with Jesus through practices like prayer, fasting, sabbath, and silence & solitude in community and in your daily life! Applications open July 14th and are due August 11th.
