GOD OWNS IT ALL STEWARDSHIP CLASS - "God Owns It All" tackles the money question we all ask: How much is enough? The answer to this question is found in Scripture. Ron Blue presents financial principles that are affirmed by the authority of Scripture and tested by the marketplace. These biblically based principles will equip us to approach money management and financial planning with freedom, generosity, contentment, and confidence. When we apply the biblical truths offered in this study, our finances will be ordered, our decisions will be simplified, and our experience will invite contentment in all areas of our lives.
